

Ladies

Pilote

Ladies of leisure
Oh, with their eyes on the back roads
 All looking for strangers
To whom they extend welcomes
 With a smile and a glimpse
 Of pink knees and elbows
 Of satin and velvet
Good ladies, good fortune
 Ladies
 (Ladies)
 Ladies
 (Ladies)
They sing of their heroes
 Of solitary soldiers
 Invested in good health
And manner most charming
Whose favors are numbered
None the less, well intended
 By hours in a minute
By those ladies who bless them
 Ladies
 (Ladies)
