

Fast Forward to 2012 (Live at the Capitol)

A Day to Remember

We welcome you to the second chapter
Thanks for turning the other page
We acknowledge you as the only reason
For the progress that we've made
You're a constant reminder
We came, we saw, we conquered
Everything has come so far
From where we were before
Well keep this short and sweet so I'll
Get to the point
My friends come first it's the bottom line
My friends come first it's the bottom line
My friends come first it's the bottom line
My friends come first it's the bottom line
That's the bottom line
Here's to the future, never getting older
When the tables do turn, where will you be?
Pick up your feet
