God Loves Me

Lina

If you can't tell me why the stars don't fall out the sky
Then you can't tell me who or what I should be
Just 'cause it's right for you don't mean that it's right for me
Hey, this is my life, so I can only be meWho are you to judge me?
You don't see things like I see
'Cause I'm not you and you ain't me
God loves me, He loves me just for meWho are you to judge me?
You don't see things like I see
'Cause I'm not you and you ain't me
Yes, God loves you but He loves me tooNow you don't even know, down which road in life you'll go
So you know what's best for me, now how could that be?
What songs do bluebirds sing? What will tomorrow bring?
Where did we come from and when we die, where do we go?Who are you to judge me?
You don't see things like I see
'Cause I'm not you and you ain't me
God loves me, He loves me just for meWho are you to judge me?
You don't see things like I see
'Cause I'm not you and you ain't me
Yes, God loves you but He loves me tooYou see that girl on the streets
She sells her body, it's all she knows
And that old man, he's so weak
He lost his family and gave up long agoDon't shun them in disbelief
He could be you, she could be me
Love and understanding is all we need
That's all we needWho are you to judge me?
You don't see things like I see
'Cause I'm not you and you ain't me
God loves me, He loves me just for meWho are you to judge me?
You don't see things like I see
'Cause I'm not you and you ain't me
Yes, God loves you but He loves me tooWho are you to judge me?
You don't see things like I see
'Cause I'm not you and you ain't me
God loves me, He loves me just for me
