

# Perfection

## Natalia Kills

The subject seems  
Obsessively concerned with power  
Having control  
Suffering from neurotic impulses  
Experiencing feelings of extreme satisfaction and  
Disappointment within moments  
Possible fantasist  
Extremely volatile  
  
Opiniated  
And self sentimental  
Suffering from daddy issues  
Denial  
Over disciplined  
And a lack of remorse  
But not to worry  
Just take two of these with perfection  
And everything will be fine in the morning
