# Maybe Tomorrow (feat. Faith Mussa)

## Theo Thomson

RICH HOMIE QUAN

"Flex (Ooh, Ooh, Ooh)"
Hey, oh!
There it is, there it is, there it is
There it is, there it is (Rich Homie, baby!)
Walked in 30,000 in my pocket
Had them niggaz just like ooh, ooh, ooh! (Hey hey!)
50 thousand dollars on ya bitch who wanna fuck me
Got her screaming like ooh, ooh, ooh!
'Cause I gotta check, nigga wanna flex
I ain't got to flex, boy I got it, ooh, ooh, ooh, ooh
Give that hoe some X, she gon' wanna sex every nigga in the set
And now she screamin' like ooh, ooh, ooh!
How much you made?
Made 2 million dollars off a mixtape
Had them folks like ooh, ooh, ooh (Hey! Hey!)
They tried to drop me with a case but you know but I had done skated
I was singing like ooh, ooh, ooh (I swear nigga)
Boy I know my role and I play it (I do!)
If you heard that I'm talkin'

then I said it
Quan where you at?
At the top of the loft nigga,
I stay (What?)
I'm a bad boy but I don't
wear big clothes like Ma$e
In the club and a nigga get
it boppin'
And that hoe, she want a
free drink, tell that bitch to
get up off me
(Hey hey hey hey)
I'm the nigga to get it
poppin', her hair short like
Dennis Rodman
At the Clearport nigga, we
flying, when I landed boy
I...
Walked in 30,000 in my
pocket
Had them niggaz just like
ooh, ooh, ooh! (Hey hey!)
50 thousand dollars on ya
bitch who wanna fuck me
Got her screaming like ooh,
ooh, ooh!
'Cause I gotta check, nigga
wanna flex
I ain't got to flex, boy I got
it, ooh, ooh, ooh, ooh
Give that hoe some X, she
gon' wanna sex every nigga
in the set
And now she screamin' like
ooh, ooh, ooh!
How much you made?
$100,000 just in two days
(Guess what!)
I don't fuck with niggas
'cause they two fake (I
swear I swear)
I only fuck with bitches for
that toupee (The top nigga)
These Givenchy's, I ain't
worried bout no new Jay's

Know this bitch, you got a sack and she always got my back
So I love that shit the most (I do!)
I'm her big dog and she my cat and she love it from the back
Call her green 'cause she on go (Green light)
I wear glasses 'cause I know these niggas watching
They mad because they cannot stop me
But stopping is not an option, I can't help it because I got it
Don't waste time, I got six watches
Talking Rollex, yeah, I bought 'em...
Now I'm at the top, started from the bottom, then I
Walked in 30,000 in my pocket
Had them niggaz just like ooh, ooh, ooh! (Hey hey!)
50 thousand dollars on ya bitch who wanna fuck me
Got her screaming like ooh, ooh, ooh!
'Cause I gotta check, nigga wanna flex
I ain't got to flex, boy I got it, ooh, ooh, ooh, ooh
Give that hoe some X, she gon' wanna sex every nigga in the set
And now she screamin' like ooh, ooh, ooh!
How much you made?
$100,000 (How much, how much you made?)
$100,000 (How much, how much you made?)

Made 2 million dollars off a
mixtape had them folks like
ooh, ooh, ooh!
Hey! Get at me
