Disillusioned

Frank Ocean

Disillusioned
Disillusioned, ooh ooh
Disillusioned, ooh ooh
Disillusioned, ooh
Whats solution now?Dont you see Im here for you?
All your best interests are on my heart
I just want to roll with you
And never let the nature break us apart
The well endowed took the earth and changed it
a thousand graves in the middle never knew they were powered
Never shared the knowledge or confirmation
of their relation
Oh hallelujah,
oh lord have mercy
And DisillusionDisillusioned, ooh ooh
Disillusioned, ooh ooh
Disillusioned, ooh
Whats solution now?Can't you feel a thing child?
Won't you test your seals for use?
You should make your mind up
Since you know how it feels to be abused
The well endowed took the mission, The concepts of a nation
To divide the one conscience
The young and wild take the spaceships
seeing observations
Searching for the world
Out of delusionDisillusioned, ooh ooh
Disillusioned, ooh ooh
Disillusioned, ooh
whats the solution now?bitches going to drink till the dj plays our song and then turn this muthafucka out, turn it out
bitches gonna drink till the dj plays your song, then turn this muthafucka out. turn it out
You been waiting in a long ass line, forever, turn this bitch out
You been waiting in a long ass line, forever, turn this bitch out
You been waiting in a long ass line, forever turn this muthafucka out.Disillusioned, ooh ooh
Disillusioned, ooh ooh
