Royalty

Samuel Medas

My daddy is a king so i'm royalty
My father is a king so that means i am royalty
My daddy is a king so i am royalty
I'm way up with him
Way up with him
Way up with him

I bet you didn't know i was a basted
To tell you the truth i was born in shame
If you called my name i couldn't answer
I had no legacy and no inheritance to claim
But that's not the end of my story
So don't you drop me off on a shelf
But i encountered the king of glory
And him say samuel me want you for myself

So him clean me up
Turn me round'
Lift meh head
Fix meh crown
Love meh right
Grace unbound
Me ah laugh
Never frown
Show meh off
Call meh son
Change meh name
Bless meh song
Now the blessing cyah tun' down
So me affi' boast

I don't stress to much about my problems
And to tell you the truth I'v got quite a few
But one man alone i know can solve
And there is really nothing that he can do
If we talk about sin i was the chiefest
And people put me off on a shelf
But i encountered a love that's the realest

And him say samuel me want you for myself

so him clean me up
Turn me round
Lift meh head
Fix meh crown
Love meh right
Grace unbound
Show meh off
Me uh laugh
Never frown
Call meh son
Change meh name
Bless meh song
Now the blessing cyah tun' down
So me affi' boast

Favor undeserved
Blessing in abundance
Rolling with protection
Angels all around us
Mention of his name
And the enemies are conquered
Power in my words
I'm walking like a prince
But my mansion's up yonder
Smiling at my haters
Leaving them to wonder
All about my kingdom
And Jesus is the founder
Make me sing the hook a little longer, yes

Watch what you say about me
You better careful what you say about me
Because regardless of what you about
me you can never get my father to agree
Cause i'm royalty (yeah), royalty (yeah)
All my needs he will supply
