Hey Good Lookin'

The Mavericks

Hey good lookin' what you gotta cookin'?
How's about cookin' something up with me
Well I'm free and ready so we can go steady
How's about keepin' steady companyI got a hot rod ford and a two dollar bill
And I know a spot right over the hill
There's soda pop and the dancin' free
You wanna have fun come along with meI said "Hey good lookin' what you gotta cookin'"
How's about cookin' something up with meI'm gonna throw my date book over the fence
And then find me one for five or ten cents
I'll keep 'til it's covered with age
Because I'm writing your name down on ever pageI said "Hey good lookin' what you gotta cookin'"
How's about cookin' something up with me hang on girlI got a hot rod ford and a two dollar bill
And I know a spot right over the hill
There's soda pop and the dancin' free
But if you wanna have fun come along with meI said "Hey good lookin' what you gotta cookin'"
How's about cookin' something up with me
How's about cookin' something up with me
How's about cookin' something up withI said good lookin'
How's about cookin' something up with me
