Hey Good Lookin'

The Mavericks

Hey good lookin' what you gotta cookin'?
How's about cookin' something up with me
Well I'm free and ready so we can go steady

How's about keepin' steady companyI got a hot rod ford and a two dollar bill

And I know a spot right over the hill

There's soda pop and the dancin' free

You wanna have fun come along with meI said "Hey good lookin' what you gotta cookin'" How's about cookin' something up with meI'm gonna throw my date book over the fence

And then find me one for five or ten cents

I'll keep 'til it's covered with age

Because I'm writing your name down on ever pageI said "Hey good lookin' what you gotta cookin'" How's about cookin' something up with me hang on girlI got a hot rod ford and a two dollar bill

And I know a spot right over the hill

There's soda pop and the dancin' free

But if you wanna have fun come along with meI said "Hey good lookin' what you gotta cookin'"

How's about cookin' something up with me

How's about cookin' something up with me

How's about cookin' something up with I said good lookin'

How's about cookin' something up with me
