

# Valley of Tears

## Pure X

lookin out over the valley of tears  
i been standin on the edge all of my years  
and sometimes the illusion can be so real  
    but this whole world is an illusion  
    when my heart is alive, it is so alive  
    and there is nothin that can keep me down  
but even then it is so hard for me to say what i feel  
    i can see you're not afraid  
    i don't wanna pull you down  
i know you've got a shadow of your own  
    there is one thing i can do  
    open up my heart to you  
i can see you standing up on that hill  
    (i'm comin baby)
