

# The Calendar

## Panic! At The Disco

Only for you  
Only for you They said if you don't let it out  
You're gonna let it eat you away  
I'd rather be a cannibal, baby  
Animals like me don't talk anyway Feel like an ambulance, chaser of fame  
Pray I could replace her  
Forget the way her tears taste  
Oh, the way her tears taste Put another X on the calendar  
Summer's on its deathbed  
There is simply nothing worse  
Than knowing how it ends And I meant  
Everything I said that night  
I will come back to life  
But only for you, only for you The world may call it a second chance  
But when I came back it was more of a relapse  
Anticipation is on the other line  
And obsession called while you were out  
Yeah, it called while you were out Put another X on the calendar  
Summer's on its deathbed  
There is simply nothing worse  
Than knowing how it ends And I meant  
Everything I said that night  
I will come back to life  
But only for you, only for you Asleep in the hive  
I guess all the buzzing got to me  
The rest of the life  
At night your body is a symphony  
And I'm conducting They said if you don't let it out  
You're gonna let it eat you away Put another X on the calendar  
Summer's on its deathbed  
There is simply nothing worse  
Than knowing how it ends And I meant  
Everything I said that night  
I will come back to life  
But only for you, only for you  
Only for you, only for you Only for you  
Only for you  
Only for you  
Only for you
