

Lies

Gareth Gates

I waited in the summer rain
I waited till my tears stop falling
You never came along
You had to do me wrong again
You promised me you gave your words
There's time I'm around with your defect
My heart has had enough
I'm really not that tough inside
Baby[Chorus]
Lies
You have me had your lies
Come look into my eyes
Can't break my heart with honesty instead
Cause I don't want to cry
I'd rather say goodbye
Bye, bye
I can't take another lie They told me not to trust in you
And finally I do believe this
Say who's the other man
You do the best you can to hide
Tell me
Does he think you're always beautiful as I did
The very first time I leave my eyes on you
I gave my heart to you
Again and again and again, baby[Chorus] Another night, another day
How can I go on this time without you
What can I do, what can I say
Say is there any other ?[Chorus: x2]
