

While You're Out Looking for Sugar

Joss Stone

How long can i go on amusing myself
Night after night sitting all alone
While you're in the arms of someone else
Don't you know that While you're out looking for sugar,
Somebody's gonna take your honey and go
While you're out looking for sugar,
Somebody's is tryin take your honey and go
You just buzz, buzz, buzz here and there
Uh oh eh everywhere You think you're the sugar oh daddy with a candy kiss oh yeah
You think about your love and baby i just can't exist mhm While you're out looking for sugar,
Somebody's gonna take your honey and go
While you're out looking for sugar,
Somebody's is tryin take your honey and go Well how can i be faithful?
Truly, i don't know
If i find myself in the arms of someone else,
Is all your fault While you're out looking for sugar,
Somebody's gonna take your honey and go
While you're out looking for sugar,
Somebody's is tryin take your honey and go
You just buzz, buzz, buzz here and there
Uh oh eh everywhere You sneak across the floor baby with your shoes right in your hands
Well how much more do you think I can stand? While you're out looking for sugar,
Somebody's gonna take your honey and go
While you're out looking for sugar,
Somebody's is tryin take your honey and go While you're out looking baby,
While you're out looking baby,
While you're out looking for sugar
You got some honey at home
She's all alone While you're out looking for sugar,
Somebody's gonna take your honey and go
While you're out looking for sugar,
Somebody's is tryin take your honey and go
Gone, gone, gone, gone, gone
Take it right
