

# Volcano Girls

## Veruca Salt

Leave me  
Lying here  
Cause I don't wanna go  
Leave me  
Lying here  
Cause I don't wanna go  
Leave me  
Lying here  
Cause I don't wanna go  
Tell me, tell me what you really want from me  
You gotta let me know  
I'm falling off and I need you terribly  
One down, and one to go  
Volcano girls we really can't be beat  
Warm us up and watch us blow  
Now and then we fail and we admit defeat  
We're falling off  
We are watered down and fully grown  
Leave me  
Lying here  
Cause I don't wanna go  
Leave me  
Lying here  
Cause I don't wanna go  
A million miles of running  
And I hit the wall  
I bounce back and I run some more  
This is it, I'm giving up  
I'm calling quits  
  
So get down and meet me on the floor  
Way to go, way to flip off everyone  
I steal your thunder then I try to bolt  
But I could stand a little pity now and then  
I'm falling off, I am watered down and fully grown  
Go, I don't wanna go  
I don't wanna go  
I don't wanna go  
I don't wanna go

I told you about the seether before  
You know, the one that's neither or nor  
Well here's another clue if you please  
The seether's Louise  
(One, Two, Three, Wow)

Leave me  
Lying here  
Cause I don't wanna go  
Leave me  
Lying here  
Cause I don't wanna go  
Leave me  
Lying here  
Cause I don't wanna go  
Leave me, leave me, leave me  
Go, I don't wanna go  
I don't wanna go  
I don't wanna go  
I don't wanna go
