## The Cataracs

[Chorus]

In the club (the club)  
Give me love give give me love within in  
In the club (the club)  
Give me love give give me love within in  
In the club (the club)  
Give me love give give me love within in  
In the club (the club)  
Give me love give give me love within in

All my girls in the house get low  
If you look good go on touch your toes  
fuckin" with your boy here.  
Oh fo-sho-oh-oh  
What my name is y'all know

Raving 'til dawn the dogs they get busy  
Put the song on they (they) all get dizzy  
Uckin with the cattie again we get addict  
Chicks on my dick and I'll prolly get at it.

Walk into the back with a couple of females  
Why you on the phone checkin' the e-mails  
feelin' kinda drunk now I can't te-eh-ell  
If thas your girl dawg oh well!  
(she's going with me)

Enough with the blah blah you know I really  
Wanna see your na nas girl get silly  
So I told her bend over  
I'ma do the facebook and poke ya

[Chorus]

Do you like it in the club'  
Honestly I don't like it in the club  
But I will not cut 'cause I love that ass  
So I'ma stay right here 'til the sun comes up

And I'ma watch you shake it girl

And if you got that cake go on and bake it girl  
Shake that kinky bootay

So you wanna go home with me  
Okay come home with me  
We can get up in the bed for the day  
Get it right spend the rest of the night  
Up in my sheets and

We can shake it girl  
And if you got that cake go on and bake it girl  
Shake that kinky bootayy

[Chorus]

And this is how I do it in the club  
I need it then I make ya fall in love  
I hit it from the front the back  
And side to side like that

And side to side like that  
I start to sound like that
