

Starstruck (feat. Space Cowboy and Flo Rida)

Lady Gaga

Groove. Slam. Work it back. Filter that. Baby bump that track.
Groove. Slam. Work it back. Filter that. Baby bump that track.
Groove. Slam. Work it back. Space cowboy just play that track.
Gaga in the room. So starstruck cherry cherry cherry boom boom. Rollin' up to the club on the weekend
Stylin' out to the beat that you're freakin'
Fantasize I'm the track that you're tweakin'
Blow my heart up put your hands on my waist pull the fader
Run it back with original flavor
Cue me up I'm the twelve on your table I'm so starstruck I'm so starstruck
Baby cause you blow my heart up
I'm so starstruck
Baby cause you blow my heart up I'm so starstruck
Baby cause you blow my heart up
I'm so starstruck
Baby cause you blow my heart up Baby now that were alone gotta request
Would you make me number one on your playlist? Put your Dre headphones with the left side on
Wanna scratch it back and forth, back and forth uh huh Put your hands on my waist pull the fader
Run it back with original flavor
Get the breakdown first
Up until the chorus
To the verse
Re-ke-re-ke-reverse I'm so starstruck
Baby cause you blow my heart up
I'm so starstruck
Baby cause you blow my heart up Hey lil' mamma like really, really is that him
I done seen you before what you got on them big rims
Enter that cash flow, I'm like baby you don't trip So shawty say hand over your signature right here
Like adjust the dotted line and I suppose to sign
How she at it, a fanatic and I think it's goin' down
She so star struck, the gal all stuck
I should have had an overdose too many Starbucks Ain't never seen a balla, paper that stack taller
Notice who let the top back on the Chevy Impala
Hummers and all that fully loaded with two spoilers
What did you call that when you showed up with two dollars But that's another chapter, son of a bachelor
All on me, just spotted a baby actor
Complete swagga, they go the dagga
Got what she wants, shawty happily ever after I'm so starstruck
Baby cause you blow my heart up
I'm so starstruck

Baby cause you blow my heart upGroove. Slam. Work it back. Filter that. Baby bump that track.
