Mon Language a Change

Christian Kalambaie

Poeple are wondering about my true indentity - and I know each one draws his own conclusion
for so many years- i have been wondering too - what I was - where I came from - and where I was going .
The Lord has performed a great paradox - for He came to break the seals of my life
To let me know - that even behind this flesh - The Father Himself has established residency
Since that very day - my language has changed - I have speaking - speaking just like Christ HImseld
â€œ me and The father , yes we are one â€• and I m not ashamed to testify
Hallelujah my language has changed
Hallelujah - thank you Jesus
Hallelujah - myl language has changed
Hallelujah - I have been quickened
