

Billy Breathes

Phish

Tumbling greens, a pick-up screams
Alone above the square, sing softly
Above the trees where Billy breathes
We float upon the air Softly, sing sweet songs
Softly, sing sweet songs
Softly, sing sweet songs Silent scenes in motion means
I'll wake you when we're there, sing softly
Time it seems in broken dreams
To sleep beside the stair Softly, sing sweet songs
Softly, sing sweet songs
Softly, sing sweet songs Softly, sing sweet songs
Softly, sing sweet songs
Softly, sing sweet songs
Softly, sing sweet songs
Softly, sing sweet songs
