

Do the Whirlwind (Hot Chip Remix)

Architecture in Helsinki

She says you've given up
Your folks told me you should be left alone
On a mountaintop,
Knocking the aeroplanes down with stones
Do the whirlwind and carry the hope that stings all night long
Don't abandon him, 'cause he quivers when he hears your song Believe me, it's safe to see
At least be confused about right and wrong
Plan to settle down
Over the moon under the sun
Do the whirlwind and shotgun the seat that beat, that beats,
Hanging on to the one you love,
To keep keepin', sleepin', dreamin' on Folks given up under the quivers and lines
You do the whirlwind, don't abandon
Get a handle of yourself, son Folks given up under the quivers and lines
You do the whirlwind, don't abandon
Get a handle of yourself, son Folks given up under the quivers and lines
You do the whirlwind, don't abandon
Get a handle of yourself, son Folks given up under the quivers and lines
You do the whirlwind, don't abandon
Get a handle of yourself, son Folks given up under the quivers and lines
(Do the whirlwind, do the whirlwind)
You do the whirlwind, don't abandon
(Do the whirlwind)
Get a handle of yourself, son Folks given up under the quivers and lines
(Do the whirlwind, do the whirlwind)
You do the whirlwind, don't abandon
(Do the whirlwind)
Get a handle of yourself, son Folks given up under the quivers and lines
(Do the whirlwind, do the whirlwind)
You do the whirlwind, don't abandon
(Do the whirlwind)
Get a handle of yourself, son Folks given up under the quivers and lines
(Do the whirlwind)
You do the whirlwind, don't abandon
Get a handle of yourself, son
