

# Don't Want You Back

Rebecca Ferguson

Yeah, I know you've been drinking  
Maybe one too many  
Maybe that got you thinking  
That you're getting back with me  
So tell me is there another  
Who's got your heart locked down  
Cos I can't help but wonder  
Who'll be keeping you now You look so good, but my heart said no  
Can't help myself, gotta let you go  
I don't wanna hear you're sorry  
Don't you go and ruin my party  
I just wanna say, I just wanna say  
Don't think that I want you back  
I don't wanna hear you're sorry  
Don't you go and ruin my party  
I just wanna say, I just wanna say  
Don't think that I want you back Memories come flooding back to you  
When you're home and lonely  
I'm not thinking of you  
You keep me waiting in my dark blue jeans  
But truth hit me like lightning  
But now I'm back on my feet You look so good, but my heart said no  
Can't help myself, gotta let you go  
I don't wanna hear you're sorry  
Don't you go and ruin my party  
I just wanna say, I just wanna say  
Don't think that I want you back  
I don't wanna hear you're sorry  
Don't you go and ruin my party  
I just wanna say, I just wanna say  
Don't think that I want you back I don't want him, want him, want him  
I don't need him, need him, need him  
Then why don't you tell him, tell him, tell him  
I don't want him back  
See I don't want his hugging, hugging, hugging  
And I don't want his kissing, kissing, kissing  
So tell me what I'm missing, missing, missing  
I don't want you back I don't wanna hear you're sorry  
Don't you go and ruin my party

I just wanna say, I just wanna say  
Don't think that I want you back  
I don't wanna hear you're sorry  
Don't you go and ruin my party  
I just wanna say, I just wanna say  
Don't think that I want you back  
I don't wanna hear you're sorry  
Don't you go and ruin my party  
I just wanna say, I just wanna say  
Don't think that I want you back
