

# Authority Song

## Reel Big Fish

Let's go They like to get you in a compromising position  
They like to get you there and smile in your face  
They think, it's so cute when they got you in that condition  
Well, I think that it is a total disgrace And I say when I fight authority, authority always wins  
When I fight authority, authority always wins  
I been doing it, since I was a young kid and I've come out grinnin'  
When I fight authority, authority always wins Well, I call up my preacher and I say, "Gimme strength for round  
five"  
He said, "You don't need strength, you need to grow up, son"  
I said, "Growing up leads to growing old and then to dying  
And dying to me don't sound like all that much fun" And I say, when I fight authority, authority always wins  
When I fight authority, authority always wins  
I been doing it, since I was a young kid and I've come out grinnin'  
When I fight authority, authority always wins I said, oh, no, oh, no, oh, no  
I fought the law and the law won  
I fought the law and the law won  
I fought the law and the law won  
I fought the law and the law won When I fight authority, authority always wins  
When I fight authority, authority always wins  
Well, I been doing it, since I was a young kid and I've come out grinnin'  
When I fight authority, authority always wins And I say, when I fight authority, authority always wins  
When I fight authority, authority always wins  
I been doing it, since I was a young kid and I've come out grinnin'  
When I fight authority, authority always wins
