

# English Garden

## Bruce Woolley & The Camera Club

I want you to see all of the flowers  
We'll shoot the breeze for hours and hours  
Buttercups grow, high at the towers  
What do I see, I beg your pardon  
Barbara and me in our English garden Barbara, Buster and me in our English garden  
(And you too Monty) in our English garden Someone's knockin' at the door  
Someone's ringin' my bell  
Someone's knockin' at the door  
Someone's ringin' my bell
