

Don't give up on me

Daniel Powter

I don't know what I did but I must have been a fool
I got no excuses so I wrote this song for you
Whatever the reasons did you come to say goodbye?
I'm hoping for one more try, I wanted to change your mind
So I pick up the pieces, I swallowed all my pride
I don't wanna wake up, feeling this empty inside
Did it spin you around? Did it turn you upside down?
I wonder when you found out I'm a waste of your time
So don't give up on me
I never meant to steal your smile, I haven't seen it for a while
And don't, don't give up on me
Just try to understand that I can be a better man
I tell you once just don't give up on me, yeah
I tell you once just don't give up on me
And now I feel that I'm out of place
I look for you on every stranger's face
I don't think I can do this any more
And every little things just falls apart
From the very first that day I broke your heart
It only makes me want you more and more just like before
'Cause you spin me around and now you turn me
upside down
I never meant to be a waste of your time
So don't give up on me
I never meant to steal your smile, I haven't seen it for a while
And don't, don't give up on me
Just try to understand that I can be a better man
I tell you once just don't give up on me
I could fall if you're not there at all and what am I supposed to do?
I tell you once just don't give up on me
Baby say you won't give up on me
