

Marinade (Angus Stone)

Dope Lemon

MarinadeShe got attacked by a pack of dogs
But she said it's okay
I got some wilderness skills beneath my (?)brow(?)
She said she used to be a part of a scout team
They nearly made her leader one time
But They didn't have enough thread to sew the patches on
And she said do you know how you heard about that family that burnt down in that house?
Well that was hers
She said it was just some hoax that she made up
To watch people cry
Yeah she whispered to me softly
Well do you want me?
Just how I am?
Do you need me?
Where I stand
Let's go steady
Let's make a plan
Marinade on that for a while
YeahShe wanted to die by a river
She wanted the tide to come up and drag her away
So that when she's dreamin'
She can watch the tree line fall away
She used to draw rainbow faces in the sand
But the rainbow made the face sad
Had bits of foam coming out the bottom of its mouth
It's kinda funny that way
Oh do you want me?
How I am?
Do you need me?
Oh where I stand
Let's go steady
Let's make a plan
Marinade on that for a little while
Yeah
