

# King Of Fools

## Delirious?

Waiting for you  
Nothing in this world can bring me  
Peace and madness  
They've become the very best of friendsWalking with you  
Blindly follow out upon the  
Water runs down  
You've become the very best of friendsI'll live for you and try to be the king of fools  
I'll long for you and walk before the king of allJoy has found me  
Living life without you would be  
Hell or heaven  
Soon we'll find the greatest king of foolsI'll live for you and try to be the king of fools  
I'll long just to walk before the king of fools
