

# Honky Tonkin'

Hank Williams, Jr.

When you are sad and lonely and have no place to go  
Call me up, sweet baby, and bring along some dough  
And we'll go honky tonkin', honky tonkin'

Honky tonkin', honey baby

We'll go honky tonkin' 'round this townWhen you and your baby have a fallin' out  
Just call me up sweet mama and we'll go steppin' out

And we'll go honky tonkin', honky tonkin'  
Honky tonkin', honey baby

We'll go honky tonkin' 'round this townWe're goin' to the city - to the city fair  
If you go to the city then you will find me there  
And we'll go honky tonkin', honky tonkin'

Honky tonkin', honey baby

We'll go honky tonkin' 'round this townWhen you are sad and lonely and have no place to go  
Call me up, sweet baby, and bring along some dough  
And we'll go honky tonkin', honky tonkin'

Honky tonkin', honey baby

We'll go honky tonkin' 'round this town
