

Check Yes Juliet

We the Kings

Check yes Juliet, are you with me?
Rain is falling down on the sidewalk
I won't go until you come outside. Check yes Juliet, kill the limbo
I'll keep tossing rocks at your window
There's no turning back for us tonight. Lace up your shoes
(Ey oh Ey ohh)
Here's how we do. Run, baby, run
Don't ever look back.
They'll tear us apart if you give them the chance.
Don't sell your heart.
Don't say we're not meant to be.
Run, baby, run.
Forever will be, you and me. Check yes Juliet
I'll be waiting
Wishing, wanting yours for the taking.
Just sneak out and don't tell a soul goodbye. Check yes Juliet
Here's the countdown
3... 2... 1... now fall in my arms now
They can change the locks, don't let them change your mind. Lace up your shoes
(Ey Oh Ey Ohhh)
Here's how we do. Run, baby, run,
Don't ever look back
They'll tear us apart if you give them the chance
Don't sell your heart, don't say we are not meant to be
Run baby run,
Forever we'll be, you and me. We're flying through the night
We're flying through the night
Way up high,
The view from here is getting better with you by my side. Run baby run,
Don't ever look back
They'll tear us apart if you give them the chance
Don't sell your heart, don't say we are not meant to be
Run baby run, forever will be... Run baby run,
Don't ever look back
They'll tear us apart if you give them the chance
Don't sell your heart, don't say we are not meant to be
Run baby run,
Forever will be, you and me
You and me... You and me...
