barbarella

Paul Baribeau

You didn't get much emotional stability
From you first marriage
You moved to Paris
And let him reshape youInto the mold of his ex-wife
Bridget Bardo
As a so called sex kitten
In several of his films including:Barbarella
I never thought I was good enough to say
Barbarella
I want to be enough for you
Barbarella
It hurts me when you need other women
BarbarellaYou write that you loved him
But that off screen
He made you a plaything
Inviting other women into your bed
