

I Need You

Rude Boys

I need you girl
You are my world
I need you
(I need you to be mine)
I need you

I need you girl
You are my world
I need you
(I need you to be mine)
I need you

You're my sunshine on the worst of rainy days
Turn the winter of my life into May
Just like the grass needs the rain and sun
To help it grow
There is something that I think you ought to know

I need you
(I need you to be mine)
I need you

Beg ya pardon if I did not act the part
Because I tried to cover up what's in my heart
Just like a volcano that's ready to erupt
Here's my opportunity to spill my guts

I need you
(I need you to be mine)
I need you
I need you
(I need you to be mine)

I need you
(Need you to be, want you to be)
I need you
(I need you to be mine)
I need you

I need you

(I need you to be mine)
I need you
(Need you to be, want you to be)

I need you baby
I need you girl
(I need you)
You are my world
(I want you)
I need you girl youâ€™re y everything

I need you girl
(I need you)
You are my world
(I want you)
I need you girl youâ€™re y everything
Iâ€™m gonna say it again
