No Fun (feat. Problem)

TGT

Wait 'til you get her body alone
Can't wait to say I told you so
I know if you say that it's good
Then it's real, real good, oh yeah
G do you think that she would be with it
Specially since she knows that I know that you hit it
She know what she came here for
Plus you know what's mine is yoursIt ain't no fun if the homies can't have none
It ain't no fun if the homies can't have none
So let's share, share, share
We'll just share, share, shareHow was last night, wait, I already know
'Cause mommy so fly, from head to toe
I did my thing, as you should
And it was real, real good, oh yeah
I know she'll never have to admit it
'Cause I won't tell, T won't tell, we won't tell
If we hit it
Don't get confused if she said it's yours
'Cause she's just one of them girls that want a lil' moreIt ain't no fun if the homies can't have none
It ain't no fun if the homies can't have none
So let's share, share, share
We'll just share, share, shareIf Problem gave a fuck about a bitch
I'd always be broke
And I'm married to the money
I'll admit we eloped
I got throat in hoopties, had more love than Lucy
Plus I'm with TGT, come be a groupie
I'm just kidding, just come check out the proposition
The mission we hitting was written
Peep out the composition
We fixing to fly high, then try things
You sexy and I heard that pussy tasty as Thai wings
Think about dining, I put that on the squidi'
Put my love in it then work it like a Jedi
Yeah it's all love girl, pop it like a pilli'
Compton California, this the diamond like a middi'It ain't no fun if the homies can't have none
It ain't no fun if the homies can't have none
So let's share, share, share
We'll just share, share, shareIt ain't no fun, if the homies can't have none

We keep it in the family
Your secrets are safe with me
