At the Source

Alison James

Verse 1:
It's a new day
Could that mean there's new life?
I'll dare to be hopeful
If the sun reclaims the skyVerse 2:
I'll put on glasses
So everything's a shade of green
Then growth can seem
A real possibilityChorus:
Oh, in the stillness I'll know
Oh, all the secrets I'll know
I'll know
Verse 3:
Could I find a river?
Or even just a small stream?
That would flood my soul with life
When I'm too tired to dreamChorus:
Oh, at the source I will know
Oh, all the secrets I'll know
I'll knowVerse 4:
If i think it, well then it will be true
A thousand reasons to be thankful
From the closing point of view
And hope for tomorrow
Outro:
Is reason one thousand one
Reason one thousand one
Reason one thousand one
