Give It Up

Avalon

Dream a little dream, dream a little while
Remembering a day when you were wide-eyed
Gave the Lord your heart, gave Him all your soul
Slowly you have taken back control
Now you're somewhere in between
Your new world and your old routine
Dream a little dream, dream a little while
Dream with me of how you think it might be
To give Him all of your heart
(Give it up, give it up)
Give Him all of your life
(Give it up, give it up)
Give Him all of your soul
(Give it up, give it up)
Give it up, give it up, oh
Na na na na na
Na na na na na
Na na na na na na na na na
Na na na na na
Na na na na na
Na na na na na na na na na
Your choice is black or white, not a shade of gray
Because in love there's no such thing as halfway
Devotion can't be swayed, emotions can't be torn
He'd rather we be hot or cold than lukewarm
Bring us Father all your soul
There's freedom in the letting go
Pray a little prayer, Dream a little dream
Dream with me of how you think it might be
(Yeah)
To give Him all of your heart
(Give it up, give it up)
Give Him all of your life
(Give it up, give it up)

Give Him all of your soul
(Give it up, give it up)
Give it up, give it up, oh
Na na na na na

Na na na na na
Na na na na na na na na na
Na na na na na
Na na na na na
Na na na na na na na na na
Ah ah ah
(Give it up, give it all up, heart and soul)
(Give it up, give it up, give it all up)
Give Him all of your heart
(Give Him all your heart)
Give Him all of your life
(Give it up, give it up)
Give Him all of your soul
(Give it up, give it up)
(Give Him all your soul)
Give Him all of your heart
(Give it up, give it up)
Give Him all of your life
(Give it up, give it up)
Give Him all of your soul
(Give it up, give it up)
Give it up, give it up
(Give it up, give it up)
Give it up, give it up, oh
Give Him all of your heart
(Give Him all your heart)
Give Him all of your life
(Give it up, give it up)
Give Him all of your soul
(Give it up, give it up)
(Give Him all your soul)
