

I Got Your Number

Hughes/Thrall

How've you been? Alright?
You got the power, turn on the light
Don't run for cover, no need to hide
You should be here right by my side

'Cause you know I got your number
You know I got your number

I got yours, you got mine
Want you to know that your love came on time
I got your message up on the wall
You break my back, you make me want to crawl

To get your number
You know I got your number
It's alright
It's alright, hey

Number, number

It's alright

How've you been? Alright?
You got the power, turn on the light
Don't run for cover, no need to hide
You should be here right by my side

You know I got your number
Yes, I have got your number
It's alright
It's alright
It's alright
Right

Number, number, number, number
Na-na-na-na-na-na-na-na-uhhh
Number, number
Na-na-na-na-na-na-na-na-uhhh
Number, number
Na-na-na-na-na-na-na-na-uhhh

Number, number
Na-na-na-na-na-na-na-na-uhhh
