

I'll Be There

Brown Boy

ladys amd gentlemen you are now listening to the sounds of the fantastic finga-deli
this is the west coast finest street life at its best here to present the man that keeps it so radio so fresh so playa so
sexy mr. brown boy

when you need me im your man and when i need your love and soul youll be there
ll be there when you call my name ill take away the pain girl ill give you anything girl ill be there sunshine away
wont play no games i hope you feel the same girl ill be there

ive ever met a girl quite like you someone that can make me feel brand new when im down and out you kno you
pick me up girl you make me feel like a million bucks (cha-ching) you plus me equals l-o-v-e and that spells
love your the only one that i kiss and hug your the only one that that im thinkin of you always been real never
played the part you treat me like a king and you loved me from the start whenever your in trouble you aing gotta
b scared all you gotta do is call on my name and ill be there

when you need me im your man and when i need your love and soul youll be there ill be there when you call my
name ill take away the pain girl ill give you anything girl ill be there sunshine away wont play no games i hope
you feel the same girl ill be there

i gotta thank god for who you are you brighten up my nights just like the stars you my rainbow after the rain the
blood in my vains the medicine that takes away the pain i couldnt ask for more tu edes mi amored the love of
my life when the time comes bby gonna make you my wife your all that i want your all that i need never met
another that would die for me in any situation you would ride for me whenever you in trouble you aint gotta be
scared all you gotta do is call on my name and ill be there (ohhh)

ill be there to guide you through to cry with you and comfort you i love you like i do kiss you like you do i
promise little ma give my world to you

ill be there to walk with you to talk to you give my best to you love you like i do i promise little ma and give my
world to you

when you need me im your man and when i need your love and soul youll be there ill be there when you call my
name ill take away the pain girl ill give you anything girl ill be there sunshine away wont play no games i hope
you feel the same girl ill be there when you call my name now bby ill be there ill be there for you when you
need me girl ill be there for you so radio

ill be there ill be there for you ill be there ill be there for you
