Shades On

Tyga

[Chorus]
When they hate on ya [x4] I turn around and put my shades on.When they hate on ya (shades on) [x4][Tyga:]
Big money with the power
Till I hit this off by the hour
Pop out the jet to the tours
Both top floors are ours [How could you]
Now love love love, what you into
I'm in the magazine now, what's an issue
Go cry baby here, get a tissue, get a tissue, call me when you get through
Cause I'll be the boss as low
Yellow terms as the cars they go
So on until dorn, we toast if they get too close just remember though[Chorus]Bow to what you now witness
Lyrical chemist
Cage with the kiddis
Can't get my name on my meaning
If I said it than I'm in it when you hear it over
Get it
Hit it off downtown neh feed him
That's what I heard from a bird whisper, ask him
Whether lecker
Getting that b*'s
Saying on twitter
They see me from a distance [really]
Cause I'll be the boss as low
Yellow terms as the cars they go
So on until dorn, we toast if they get too close just remember though[Chorus]Cardiac the zeal Loui V
Great band porche (Gucci) [x4][Chorus]
