

# Shadows

## Westlife

Mornings after  
Still lingers  
Just waking up  
I see a shadow of you  
Making breakfast for two  
I go driving  
Past our place and  
I see this girl walk by  
I smell her perfume  
For a moment I wish it was you  
Im not gonna tell ya  
Im not gonna say that Im okay, no  
Im tryin to get over  
Im tryin to get far away from our mistakesChorus:  
But I see shadows  
Everywhere that I go  
Its you, reminding me  
Of how we were  
Of how it was  
I see shadows  
Everywhere they follow  
Its you and memories  
Of how we loved  
Ive had enough of your shadows  
Four months gone  
I cant feel you  
I dont understand it  
Where did you go?  
I hate that youre all that I know  
Im not gonna tell ya  
Im not gonna say that Im okay, no  
Im tryin to get over  
Im tryin to get far away from our mistakesChorusYou couldnt love me  
So why wont you leave me  
Shadows  
Alone is the only place I want to be  
I see shadows  
Everywhere that I go  
Its you, reminding me

Of how to love  
Ive had enough  
I see shadows  
Everywhere they follow  
Its you, the memories  
Of how we loved  
Ive had enough  
Your shadows  
Its you, the memories  
Of how we loved  
Ive had enough of your shadows  
Your shadows
