Party Trap

Tacocat

When I saw you walkin' by, I followed you, had nothin' else to do
Now I know the reason why, don't want none of your fun, drop everything and run
Yeah you got me once again, I got hit, when I was least expecting it
Fell into your party trap, ba ba ba ba ba, party trap
Fell into your party trap, trap
Yeah you got me once again, I got hit when I was least expecting it
I'm not sure we're even friends, but I guess it sounds alright, stayin' up with you all night
People I don't wanna see, twist and shout, until they're blacking out, because I
Fell into your party trap, ba ba ba ba ba, party trap
Fell into your party trap, trap
When I saw you walkin' by, I followed you, had nothin' else to do
Now I know the reason why, don't want none of your fun, drop everything and run
Fell into your party trap, ba ba ba ba ba, party trap
Fell into your party trap, trap Fell into your party trap, ba ba ba ba ba, party trap
Fell into your party trap, trap
