

# Medicine

## Hollywood Undead

Oh no, how'd I sink so low?  
Ain't got the patience I need my medication  
I need to crawl out out of this hole now  
Before the darkness grabs ahold and takes my soul now  
And it just goes on and on and on..  
On and on and on..  
Yeah call the doc I must be sick, better get me my medicine  
Now it's 5 o'clock, on the phone again  
I think ima need another prescription  
Call the doc I must be sick, better get me my medicine  
Now it's 5 o'clock, on the phone again  
I think Imma need another prescription  
Oh Holy Ghost, is this a vision?  
I got one two three admissions  
I'm getting sick of superstition  
I need a dose man, fuck the vixen  
Mama what'd you feed the children?  
Pills and milk ain't nothin to mix in  
Who needs the milk man? I got the tricks in  
Another refill ain't got no victim  
And it just goes on and on and on...  
On and on and on...  
Another refill ain't got no victim  
Yeah call the doc I must be sick, better get me my medicine  
  
Now it's five o'clock, on the phone again  
I think ima need another prescription  
Call the doc I must be sick, better get me my medicine  
Now it's five o'clock, on the phone again  
I think Imma need another prescription  
Oh no, no I can't fight it, even when I hate it I still wanna like it  
Oh no, no I can't hide it, I aint got a dollar but i still try to buy it  
Oh no, no I cant fight it, even when I hate it I still wanna like it  
Oh no, no I can't hide it, I know you don't know me but I know you supply it  
Call the doc I must be sick, bitch get me my medicine  
Now it's five o'clock, on the phone again  
I think ima need another prescription  
Call the doc I must be sick, voices in my head again  
It's five o'clock, on the phone again

I think Imma need another prescription  
Call the doc I must be sick, better get me my medicine  
Now it's five o'clock, on the phone again  
I think Imma need another prescription  
Call the doc I must be sick, better get me my medicine  
Now it's five o'clock, on the phone again  
I think Imma need another prescription  
So call the doc I must be sick, I'm so sick  
I think Imma need another prescription  
Yeah call the doc I must be sick, oh so sick  
I think Imma need another prescription
