

Soldiers

Ulrik Munther

If you wanna know
You wounded me
You wounded me down to the bone
But a little bit
Just a part of me
A part of me knows
We donâ€™t wanna fight on

And I
I know your pain is the same
And I forgive you

Weâ€™re soldiers, weâ€™re soldiers
Armies of one on a battle field
Weâ€™re soldiers and soldiers bleed
Oh oh oh
Before itâ€™s all over
Youâ€™ll never be unforgiveable
You and I weâ€™re soldiers

No victories or apologies
That weâ€™re hurting too much to give in
I realize our bitter lies
Are killing everything that we wanna let live

And I know your pain is the same
And I forgive you

Weâ€™re soldiers, weâ€™re soldiers
Armies of one on a battle field
Weâ€™re soldiers and soldiers bleed
Oh oh oh
Before itâ€™s all over
Youâ€™ll never be unforgiveable
You and I weâ€™re soldiers

And after all that weâ€™ve been through
We gotta find a way to move on
You and I weâ€™re soldiers

Weâ€™re soldiers, weâ€™re soldiers
Armies of one on a battle field
Weâ€™re soldiers and soldiers bleed
Oh oh oh
Before itâ€™s all over
Youâ€™ll never be unforgiveable
You and I weâ€™re soldiers

For what itâ€™s worth
You wounded me
But I forgive you
