## **Soldiers**

## **Ulrik Munther**

If you wanna know
You wounded me
You wounded me down to the bone
But a little bit
Just a part of me
A part of me knows
We don't wanna fight on

And I I know your pain is the same And I forgive you

Weâ€<sup>TM</sup>re soldiers, weâ€<sup>TM</sup>re soldiers
Armies of one on a battle field
Weâ€<sup>TM</sup>re soldiers and soldiers bleed
Oh oh oh
Before itâ€<sup>TM</sup>s all over
Youâ€<sup>TM</sup>ll never be unforgiveable
You and I weâ€<sup>TM</sup>re soldiers

No victories or apologies

That we're hurting too much to give in

I realize our bitter lies

Are killing everything that we wanna let live

And I know your pain is the same And I forgive you

Weâ€<sup>TM</sup>re soldiers, weâ€<sup>TM</sup>re soldiers
Armies of one on a battle field
Weâ€<sup>TM</sup>re soldiers and soldiers bleed
Oh oh oh
Before itâ€<sup>TM</sup>s all over
Youâ€<sup>TM</sup>ll never be unforgiveable
You and I weâ€<sup>TM</sup>re soldiers

And after all that we've been through
We gotta find a way to move on
You and I we're soldiers

Weâ€<sup>TM</sup>re soldiers, weâ€<sup>TM</sup>re soldiers
Armies of one on a battle field
Weâ€<sup>TM</sup>re soldiers and soldiers bleed
Oh oh oh
Before itâ€<sup>TM</sup>s all over
Youâ€<sup>TM</sup>ll never be unforgiveable
You and I weâ€<sup>TM</sup>re soldiers

For what it's worth You wounded me But I forgive you
