Carrion

Fiona Apple

Won't do no good to hold no seance
What's gone is gone and you can't bring it back around
Won't do no good to hold no searchlight
You can't illuminate what time has anchored downOh, honey I've gone away
Oh, honey I've gone away

Honey I've gone away Won't do no good to sing no love song

No sound could simulate the presence of a man

Won't do no good asking no questions

Your divination should acquaint You with the planOh, honey I've gone away

Oh, honey I've gone away

Oh, honey I've gone awayMy feel for you, boy, is decaying in front of me Like the carrion of a murdered prey

And all I want is to save you, honey

Or the strength to walk awayWon't do no good to go no distance

The space between us is as boundless as the dark

Won't do no good to throw no fist, babe

You can't intimidate me back into your armsBecause, honey I've gone away

I've gone awayMy feel for you, boy, is decaying in front of me

Like the carrion of a murdered prey

And all I want is to save you, honey

Or the strength to walk awayMy feel for you, boy, is decaying in front of me

Like the carrion of a murdered prey

And all I want is to save you, honey

Or the strength to walk awayOh, My feel for you, boy, is decaying in front of me

Like the carrion of a murdered prey

And all I want is to save you, honey

Or the strength to walk away
