Don't Walk Away

Firehouse

Girl, you and I've been together
For as long as I can remember
We've come too far to throw it all away
But you tell me that you're leavin'Oh and I just can't believe it
You know I'd do anything if only you would stay
So if you love me, then don't leave me
Don't throw it all away
Baby, I'm beggin' you, please[Chorus]
Don't walk away
(Well) Don't leave and break my heart
(Well) It hurts because I love you and it's tearin' me apart
Never too late to say we're sorry and try another way
I'm down on my knees, I need you baby
Don't walk awayNow we've both done things that we regret
We could learn to forgive and forget
We'll make it better, give it another try
Baby, don't give up, don't give inWalkin' away won't solve anything
There's nothin' that I wouldn't do to keep you satisfied
So if you love me, then don't leave me
Don't throw it all away
Baby, I'm beggin' you please[Chorus]
