

Down On Haley

Nerf Herder

Down on Haley, Haley Street
Where the drugs are easy and the sex is cheap
You never know just who you'll meet on Haley
Crack dealer looks out his door
Winks his eye and waves to his whore
She don't wanna turn tricks anymore on Haley
You don't have to ride the straight and narrow
As long as you drive up in a Camaro
Tattoo parlor why don't you hang out
Let em show you what it's all about
We're gonna help you work it on out on Haley
Don't need no license don't need no subpoena
You can hook up with your favorite gina
Makin' fun if you know what I mean on Haley
You don't have to ride the straight and narrow
As long as you drive up in a Camaro
Goin' down, down, down, down, down
D-down, down, down, d-down, on Haley
Goin' down, down, down, down, down
D-down, down, down, d-down, on Haley
Goin' down, down, down, down, down
D-down, down, down, d-down, on Haley
Goin' down, down, down, down, down
D-down, down, down, d-down, on Haley
Goin' down, down, down, down, down
D-down, down, down, d-down, on Haley
