Gentle Savior

David Phelps

Where are the signs? Which way should I go?
I planned each step but now I don't know
Tomorrow is a chasm of uncertainty
But, I will go there, if You'll go with meGentle Savior, lead me on
Let Your Spirit light my way
Gentle Savior, lead me on
Hold me close and keep me safe
Lead me on, gentle SaviorWhy cant I walk away from my regrets
And why is forgiveness so hard to accept
My past surrounds me like a house I can't afford
But You say, "Come with me, don't live there anymore"Gentle Savior, lead me on
Let Your Spirit light my way
Gentle Savior, lead me on
Hold me close and keep me safe
Lead me on, gentle SaviorAnd when I reach the valley, every soul must journey through
I'll remember then how well You know the way
I'll put my hand in Your hand like a trusting child would do
And sayGentle Savior, lead me on
Let Your Spirit light my way
Gentle Savior, lead me on
Hold me close and keep me safe
Lead me on, gentle Savior
Lead me on, gentle Savior
