

Cause of Death (Reissued)

Obituary

With the dying body dead
With the dying the coming rotting
With the dying the coming rotRot in hell religious one
Cold fate, the chosen son
Find the darkness, kill the day
You said you'd never cease sayingWe're the cause of deathFind the one and kill the need
You're the one to make us bleed
Find the darkness little one
[Incomprehensible]We're the cause of deathRot in hell religious one
Cold fate, the chosen son
Find the darkness, kill the day
You said you'd never cease sayingWith the darkness we arise
Your hell is denied
The power's below
Reality's hereWith the darkness we arise
Your hell is denied
The power's below
Reality's here
