

Someday

The Strokes

In many ways I'll miss the good old days

Someday

Someday.

It hurts to say but I want you to stay

Sometimes

Sometimes

When we was young, oh man did we have fun

Always

Always

Promises they break before they're made

Sometimes

Sometimes

My ex says I'm lacking in depth

I will do my best

You say you want to stand by my side

Darling your heads not right

I see alone we stand, together we fall apart

Yeah I think ill be alright

I'm working so I won't have to try so hard

Tables they turn sometimes

Oh... someday

I ain't wasting no more time

Trying, trying

And now my fears they come to me in threes

So I

Sometimes

They fade, my friend, you say the strangest things

I find

Sometimes

Oh my ex says I'm lacking in depth

Still I will try my best

You say you want to stand by my side

Darling your heads not right
You see alone we stand together we fall apart
Yeah I think ill be alright
I'm working so I won't have to try so hard

Tables they turn sometimes
Oh someday
Still I ain't wasting no more time.
