

Don't Say Goodbye Girl

Tevin Campbell

Baby, don't stand there in the doorway
With all your bags ready to go
Baby, sit down, let's talk it over
Oh, I need to know What do you think, you're gonna find?
(A man who treats you sweeter?)
What are you looking for?
(A place where grass grows greener)
The world is cold out there
(I'm the one who really cares) Don't say goodbye girl
Take a look inside and read my mind, girl
Everything I do, I do for you
Don't leave me crying
(Crying) Maybe my crime is caring 'bout you
Wanting you close by my side
Maybe you need some space around you
Some room to fly Don't ever think, I'll hold you back
(My love will lift you higher)
And when you call my name
(I'll be there right beside you)
Together, we'll get by
(Give this love another try) Don't say goodbye girl
Take a look inside and read my mind, girl
Everything I do, I do for you
Don't leave me crying
(Crying) Don't say goodbye girl
Take a look inside and read my mind, girl
Everything I do, I do for you
Don't leave me crying
(Crying)
