Dreamer (Acoustic)

Ivory Hours

Dreamer
She thinks no one sees her
Hides behind her blues eyes
Glowing in the moonlightDreamer
I know I can't keep her
She flickers light a firefly
Leaves me feeling tounge-tied
Whenever I see herIf you stay with me
Darling, I could be your man
If you let me be
Your lover, I'll do anything
If you stay with me
Daring, I could be your man
I could set you free
And we could be happy
Dreamer
She says no one needs her
Says she doesn't deserve love
Weddings make her nervousDreamer
I know I believe her
When she says she's leaving
Staring at the cieling
Wishing she'd take meIf you stay with me
Darling, I could be your man
If you let me be
Your lover, I'll do anything
If you stay with me
Dirling, I could be your man
I could set you free
And we could be happy
If you stay with me
Darling, I could be your man
If you let me be
Your lover, I'll do anything
If you stay with me
Darling, I could be your man
I could set you free
And we could be happy
