

Fever

Herb Alpert & Lani Hall

You never know how much I love you
Never know how much I care
When you put your arms around me
I get a fever that's so hard to bear You give me fever
When you kiss me, fever when you hold me tight
Fever in the the morning
Fever all through the night The sun lights up the daytime
And moon lights up the night
I light up when you call my name
You know I'm gonna treat you right
You give me fever
When you kiss me, fever when you hold me tight
Fever in the the morning
Fever all through the night Everybody's got the fever
Fever isn't such a new thing, fever started long ago Now you've listened to my story
And here's a point that I have made
We were meant to you fever
Be it Fahrenheit or Centigrade You give me fever
When you kiss me, fever when you hold me tight
Fever in the the morning
All through the night
Fever till you sizzle
What a lovely way to burn
What a lovely way to burn
What a lovely, lovely way to burn
