

# Three Wishes (Gorje Hewek Remix)

## The Pierces

We'd be so less fragile  
If we're made from metal  
And our hearts from iron  
And our minds from steel And if we built an army  
Full of tender bodies  
Could we love each other?  
Would we stop to feel? And you want three wishes  
One to fly the heavens, one to swim like fishes  
And then one you're saving for a rainy day  
If your lover ever takes her love away You say you want to know her like a lover  
And undo her damage, she'll be new again  
Soon you'll find that if you try to save her  
It will lose her anger, you will never win And you want three wishes  
You want never bitter and all delicious  
And then one you're saving for a rainy day  
If your lover ever takes her love away You want three wishes  
One to fly the heavens, one to swim like fishes  
You want never bitter and all delicious  
And a clean conscience and all it's blisses  
You want one true lover with a thousand kisses You want soft and gentle and never vicious  
And then one you're saving for a rainy day  
If your lover ever takes her love away
